OTHER SECTIONS OF THE DIRECTORY

The *Directory of Planning and Zoning Officials in New York State* is made up of twelve sections. One contains a listing of regional, county and state-level planning officials, while the others list city, town and village planning and zoning officials **by county and region**.

The State Office of Planning Services maintains close liaison with these officials and their boards, and provides them with necessary technical assistance through its District Offices in Buffalo, Syracuse, Albany and New York City. Each "D. O." works directly with several planning regions in its service area.

The various sections of the *Directory* and their contents are given below:

1. *State, Regional and County Planning Officials*.
2. *Upper Hudson Region* (Albany, Columbia, Fulton, Greene, Montgomery, Rensselaer, Saratoga, Schenectady and Schoharie counties).
3. *Lake Champlain-Lake George Region* (Clinton, Essex, Hamilton, Warren and Washington counties).
4. *Upper Mohawk Valley Region* (Herkimer and Oneida counties).
5. *Black River-St. Lawrence Region* (Franklin, Jefferson, Lewis and St. Lawrence counties).
6. *Central New York Region* (Cayuga, Cortland, Madison, Onondaga and Oswego counties).
7. *Genesee-Finger Lakes Region* (Genesee, Monroe, Livingston, Ontario, Orleans, Seneca, Wayne and Yates counties).
8. *Southern Tier East Region* (Broome, Chenango, Delaware, Otsego, Tioga and Tompkins counties).
9. *Southern Tier Central Region* (Chemung, Schuyler and Steuben counties).
10. *Southern Tier West Region* (Allegany, Cattaraugus and Chautauqua counties).
11. *Western New York Region* (Erie, Niagara and Wyoming counties).
12. *New York Metropolitan Region* (Dutchess, Nassau, Orange, Putnam, Rockland, Suffolk, Sullivan, Ulster, Westchester and the five counties making up New York City).

Copies may be obtained without charge by writing to Henry G. Williams, acting director, State Office of Planning Services, 488 Broadway, Albany, New York 12207.

Please indicate the region or counties in which you are interested.

For additional information or assistance contact Howard S. Quinn, Metropolitan New York District Office Director, 45th Floor, Two World Trade Center, New York, New York 10047, phone (212) 488-3248.

The Office of Planning Services wishes to thank the planning and zoning boards for their cooperation in the revision of the *Directory*. We urge all concerned to inform us of any changes as they occur.
